

# Are You Hungry???

## How About A Great Big Juicy Hamburger?

**Directions:**

Roll 3 dice and build a hamburger from bun to bun. Use the 3 numbers that you roll to create an equation that equals the number of the part of the hamburger that you need. Use addition, subtraction, multiplication, and division. To win the game you must use all of the toppings.

**Build The Hamburger:**

- |                     |                    |
|---------------------|--------------------|
| -Bottom of bun - 12 | -Onion - 4         |
| -Top of bun - 10    | -Special Sauce - 8 |
| -Catsup - 1         | -Tomato - 5        |
| -Lettuce - 3        | -Cheese - 9        |
| -Mustard - 6        | -Pickle - 7        |
| -Meat Patty - 2     | -Mushrooms - 11    |
