Partner's Phone Number: _____

Day 1 - INSPIRE

Finding Your Inspiration

Your Science Fair inquiry topic should reflect something that sparks your curiosity. What are your passions? What are you interested in? Participating in Science Fair is about sharing your learning and passion for inquiry, so choose a question topic that you are really excited to try to find out the answer about!

If you need help finding a topic, go to one of the following websites:

1. www.sciencebuddies.org
 - a. Find the red 'Project Ideas' tab and click on it
 - b. Click on the link 'Topic Selection Wizard'
 - c. Use these answers for the questions
 - i. More than a month
 - ii. your grade
 - iii. I can pick any area for my project
 - iv. Confident
 - d. Click 'Continue'
 - e. Answer the questions with your partner. If one person says yes and one person says no then answer 'sometimes'
 - f. Use these answers for the questions:
 - i. Student
 - ii. Male/female
 - iii. Leave empty
 - g. Click 'Make Recommendations'
 - h. Read through the suggested topics
2. www.sciencebob.com/sciencefair/ideas.php
3. www.education.com/science-fair/
4. www.all-science-fair-projects.com/category0.html
5. www.sciencefairadventure.com/

Write down 5 topics that interest you (and your partner), and the website you found it on.

- 1. Topic: _____
Website: _____
- 2. Topic: _____
Website: _____
- 3. Topic: _____
Website: _____
- 4. Topic: _____
Website: _____
- 5. Topic: _____
Website: _____

Which experiment have you (and your partner if applicable) decided/agreed to do?
